Education

Employment Background

2009-2012 ———— **Gamedesign and Graphics**
University of Gotland

3D Modeling, Concept Art, Animation and Game Design. Specialization in Character Art. Pipeline, introduction to project management, SCRUM.

2012-2012 ———— **Anatomy Master Class with Ryan Kingslien**
Online

A 12 week master class with Ryan Kingslien from Zbrush Workshops.

2011-2011 ———— **Life Drawing (Summer Class)**
Gotland, Sweden

Life Drawing from both sculptures and real life models with Pernilla Persson, based on Glenn Vilppus teachings. 3 day workshop with Glenn Vilppu himself. Vilppu teaches amongst others Disney, which base all their animation on Vilppu's techniques.

2008-2009 ————— **Glocalnet Technical Support**
Östersund, Sweden

As a technical support, my responsibilities included giving customers support over the phone. The experience greatly increased my people skills and taught me how to interact with people under stressful situations. It was a team driven environment where I worked with my colleagues to solve the customers problems as efficiently as possible.

2005-2008 ———— **Teknikprogrammet**
Wargentinskolan, Östersund

Technical and math based education. C++, web development. Running a small student company.
